Dear Members & Friends:

For more than 30 years, the Cancer Control Society has been educating the public and professionals with information on non-toxic Alternative Therapies and Nutritional Approaches to cancer and other diseases. Our achievements just this past year include:

- Sponsoring the successful 34th Annual Cancer Convention, held at the Sheraton Universal Hotel in Hollywood, California over the Labor Day Weekend with 50 well known speakers, 6 movies and over 80 exhibits. One of the largest of its kind in the world.
- Producing videos, DVD's, audio cassettes and CD's of each Convention speaker.
- Exhibiting at over 20 Conventions sponsored by Physician Groups and Health Food Stores, Chamber of Commerce Meetings, Wholistic Festivals and Street Fairs.
- Publishing a Calendar of Events and a Health Programs Radio and TV Directory.
- Maintaining a free 12-hour phone answering service through which we give immediate help to people all over the world.
- Sending out comprehensive "Info Sets" featuring a Doctor Directory, Patient List and Cancer Book House List.
- Providing a free International Website at www.cancercontrolsociety.com
- Featuring a Tijuana, Mexico Clinics Tour 6 times a year.
- Giving Continuing Education Units to nurses and other health professionals at our Annual Conventions and Bus Tours to the Clinics.

Over the years we have published 22 Cancer Control Journals on various subjects and we have been listed in over 50 books and publications as a leading source of information.

If you support Truth and Integrity in Medicine and your "Freedom of Choice" then we hope that you will support the Cancer Control Society with a donation.

All donations are urgently needed to help carry on our valuable work.

We can't do it without you!

Sincerely,

Frank Cousineau, President
Cancer Control Society

*Plan to attend our
35th Annual Cancer Convention
September 1, 2 & 3, 2007
Sheraton Universal, Hollywood, CA*
